IDRACER 571/17 AD

NATURAL BEESWAX IN AQUEOUS EMULSION

APPLICATION

IDRACER 571/17 AD is a completely natural product based on beeswax. It is used to make the internal walls treated with antique stucco and Venetian spatula brilliant and waterproof. The product can be applied to a stainless steel spatula, sponge or rag. Once drying, remove the excess after a few hours from the application and polish with a cloth. The product is completely free from organic solvents.
