## IDRACER 6243

*MIX OF OIL AND WAXES IN WATER EMULSION*

### APPLICATION

---

**IDRACER 6243** is a water-based fatliquor particularly suitable for nabuk, greased leather in general or leathers that require a good water proofness and a very greasy and oily feel.

**IDRACER 6243** can be diluted in organic solvent and sprayed on shoe leather or it can be applied to a pad as it is. This product is particularly suitable for already waterproofed leathers that required more water resistance.
